

Kimberley Transit

Free Downtown Shuttle

Looking for a little après- ski adventure?

Catch a ride downtown to explore the dining and shopping opportunities that Kimberley has to offer. The Peak to Platzi Downtown Shuttle is a free transportation service between the Kimberley Alpine Resort base area, on-mountain accommodations and the downtown shops, pubs, and restaurants.

Beginning Thursday, December 27th, the Shuttle will operate every day (except statutory holidays) until closing weekend of the ski season. On weekdays, for \$6 return trip from Cranbrook, you can catch the KC Commuter bus for a worry free day of fun on the snow!

The shuttle is jointly funded by the participating businesses, the City of Kimberley, Tourism Kimberley, Kimberley Alpine Resort, BC Transit, and the Province of BC Resort Municipality Initiative. To view the rider's bulletin, please visit the BC Transit website at bctransit.com/kimberley.

Please visit www.kimberley.ca or www.tourismkimberley.com for more information on fun things to do in the City this winter.
